## DR. DAVID CORREA

Dr. Correa serves as a pastor since 1994 at *Iglesia Presbiteriana Jesus* in Progreso, México. He is on the faculty of San Pablo Seminary, is an adjunct professor at Thirdmill Seminary, and Director of the Next Mexico Institute for Youth Ministry. Next Mexico is part of a larger movement of God's Spirit mobilizing His global church toward the next generation. He holds an M.Div. and Doctor of Ministry from Reformed Theological Seminary.

## How Can I Get Academic Credit from Thirdmill?

This is a frequent question posed to the staff of our parent company, **Third Millennium Ministries, Inc.**

Since 1997, hundreds of thousands of students have completed Thirdmill's award-winning video lessons and related quizzes. Initially, Thirdmill was focused on producing a seminary-level curriculum that is recognized and used by many churches, Bible colleges and seminaries. For the last 10 years, however, Thirdmill has increasingly focused on distributing its curriculum through its ministry partners and delivering training to those who can teach others in learning communities.

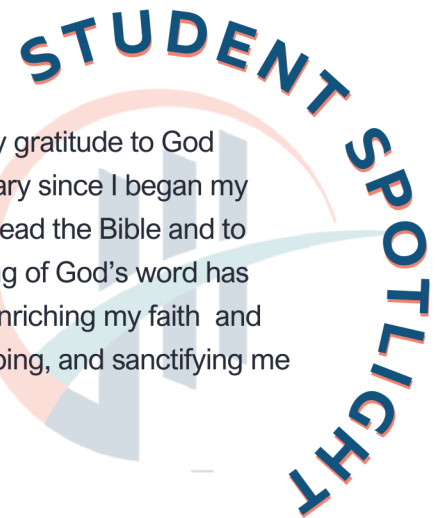

In 2018, the Board of our parent company authorized the establishment of **Thirdmill Seminary**, a wholly owned subsidiary that provides accredited, graduate degree programs in both English and Spanish. To receive academic credit for studying Thirdmill curriculum at the graduate level, you must have an earned *bachelor's degree*, and a *pastoral recommendation* to support your application to Thirdmill Seminary.

Once you apply and are accepted by Thirdmill Seminary's Admissions Team, you can begin earning credit toward your master's degree or graduate certificate. Apply at [thirdmillseminary.org](http://thirdmillseminary.org) - find the orange "Apply Now" button at top left.

I do not have the words to express my gratitude to God for connecting me to Thirdmill Seminary since I began my studies in 2022. Before, I had zeal to read the Bible and to serve God. But now, my understanding of God's word has deepened, transforming my life and enriching my faith and service in Christ. God is building, shaping, and sanctifying me through Thirdmill Seminary.

## He Gave us Prophets

This 3-credit course, *He Gave us Prophets*, gives an introduction to the prophets of the Old Testament. It dispels common misunderstandings, provides guidelines for interpreting prophecy, and gives the student confidence to begin studying prophetic literature.

The application deadline for the next term is May 6. We will offer the *Capstone Project* for graduating students and *He Gave us Prophets* for new students. The term will run from June 3 to July 28.

Apply before May 6 at [thirdmillseminary.org](http://thirdmillseminary.org)!
